“People who wait for the magic wand fail to see that they are the magic wand.” ~ Thomas Leonard
PRESIDENT’S MESSAGE
It is my great privilege to be serving as the next President of the Board of Directors of the Community Foundation of Grant County, Indiana, Inc. As a lifetime resident of Grant County, I have a great fondness for this community and I am very interested in seeing it grow and prosper for future generations.

The Community Foundation of Grant County has been a tremendous catalyst over the past quarter century helping transform our community in so many extraordinary ways.

I would challenge each and every Grant County resident to take a look at the accomplishments of the Community Foundation, and to observe all of the positive ways and all of the different lives the Foundation has helped in Grant County over the past twenty-five years.

I would further challenge you to become a part of the Community Foundation’s mission by donating to a favorite fund, volunteering to help with community projects or by seriously considering establishing your own endowed fund of your choosing to permanently benefit Grant County in a positive way.

I strongly believe if all of us work together we can continue to transform Grant County into a place where we can all be proud to live.

- Dru McCoy

MISSION
The mission of The Community Foundation of Grant County, Indiana, Inc. is to enhance an improved quality of life in Grant County. In doing so, we have three objectives:
- To continue to increase endowed assets;
- To be more purposeful and effective in our grantmaking; and
- To enhance commitment to the Grant County community and beyond.

VISION
The Community Foundation of Grant County serves donors, non-profits, and the community with the intent of building endowments to provide income for local charitable causes now and forever.

COMMITMENT
We are committed to:
- Develop a permanent endowment for the community.
- Serve donors with various interests at various levels of giving.
- Assess and respond to emerging and changing community needs.

“An idea can turn to dust or magic, depending on the talent that rubs against it.” ~William Bernbach
Twelve of Grant County’s outstanding graduating seniors were honored with The Community Foundation’s Academic Excellence Awards. All of this year’s recipients received special recognition plaques along with monetary awards.

Two students will receive four-year scholarships as the Community Foundation’s 2010 Lilly Endowment Community Scholars. They are KRISTA BUCKLER, Eastbrook High School, and MARLO NIVERSON, Madison-Grant High School. Krista and Marlo will receive full tuition to the Indiana college of their choice, plus an $800 stipend for required books and equipment.

Krista Buckler, daughter of Jack and Sharon Buckler, with a 4.0 gpa ranks first in her class and plans to attend Indiana University-Purdue University-Fort Wayne to study Nursing. Marlo Niverson, daughter of Charles and Karen Niverson, ranks sixth in her class with a 3.90 gpa and plans to study Pre-Med at Indiana University.

Each Grant County accredited high school is allowed to select one candidate for the Lilly Endowment Community Scholarship Award. The candidates must have a minimum 3.5 grade point average. Selection criteria include scholastic achievement, attitude, character, desire, and school and community involvement.

Other Lilly finalists included King’s Academy’s AMANDA SCHMUCKER, Lakeview’s JEROLYN SEABORN, Marion High School’s SARAH WEIRICH, Oak Hill High School’s RACHEL WINGER, and Mississinewa High School’s SEASON WYATT. Each of these students will receive a $1500 scholarship from the Lawrence and Otie Sanborn Educational Endowment Fund held within the Foundation.

After the Community Foundation’s scholarship selection committee narrows the field of representatives to two nominees and one alternate, the finalists’ names are submitted to Independent Colleges of Indiana, Inc. (ICI) for the selection of the recipients.

ICI is a nonprofit corporation that represents 31 regionally-accredited, degree-granting, nonprofit, private colleges and universities in the state.

Other Academic Excellence Award recipients include Eastbrook High School’s OLIVIA BERTSCH, Marion High School’s ASHLEY DEMICHAEL and MALLORY KRAMER, Oak Hill High School’s CODY REAVES, and Mississinewa High School’s ELLEN STEINKE. Each of these students will receive $1000 scholarships from the Community Foundation’s Academic Excellence Award Fund.

Dear Loyal Donors,

**MAGICAL. IMPACTFUL. TRANSFORMATIVE.** This is perhaps the best way we can think of to describe the thoughtful gifts received from all of our loyal donors. As a donor to the Community Foundation of Grant County, you are officially part of our team. You’ve joined a banner group of people of all shapes and sizes. And, they all started out just like you...with one initial donation.

They each gave to a fund at the Foundation and practiced the old “it’s better to give than to receive” adage. And, guess what? They found out that it still holds true. We think you will, too. We’ve seen firsthand how giving benefits both the giver and the receiver. And, the collective impact of hundreds of individual gifts has true transformative power in Grant County!

But, if you’re not a donor yet, it’s not too late. We’d like to invite you to be a part of our network of over 6,000 donors that give to the Community Foundation on behalf of nearly every non-profit organization and charity in Grant County and beyond.

We promise it is worth it. But we wouldn’t expect you to just take our word for it. Try it out. Invest your hard-earned money with us and test out how responsible, responsive, and service-filled we can be.

Then watch the newspapers as you continue to give. Check out the stories about the difference we’re making in the community documented right before your very eyes. No, we are not magicians. But it feels like it when we distribute funds back into our community and see needs magically disappear.

It’s like saying, **“ABRACADABRA”** and your generosity begins to transform Grant County. But, don’t worry, you don’t have to be a magician with a magic wand to help improve the quality of life in Grant County. As Thomas Leonard once said, “People who wait for a magic wand fail to see that they are the magic wand.” You do make a difference and on behalf of the entire Community Foundation team, we thank you.

Sincerely, Your Community Foundation Team

**PEOPLE ASK US ALL THE TIME,**

**How does a Community Foundation work?**

In general, the concept of a community foundation is as ingenious as it is simple. It is a means to build, over time, substantial endowment funds for a community through contributions large and small.

- Because these contributions are endowed, they are never spent.
- Instead, they are permanently invested to produce income.
- The income earned is then used to help meet the community’s charitable needs—from Animal and Arts Funds to Special Needs and Youth Funds to Student Scholarships and everything in between.
- So gifts to a community foundation continue to benefit our community forever.

**Leave a Lasting Legacy**

Anyone may use your local Community Foundation to give something back to the community.

The Foundation is a model of giving that includes a wide spectrum of donors. The majority of contributions are $1000 or less. When caring donors come together under a flexible, creative, and capable organizational structure, known legally as a community foundation, our community’s potential is unlimited.

An easy way for you to make a difference and leave a lasting legacy is by creating a permanent Endowment Fund at the Community Foundation of Grant County.

**But How?**

It’s easy, convenient, and simple.

In fact, establishing a permanent Endowment Fund at the Community Foundation of Grant County can be done in less time than it takes to open a bank account.

We take care of all the administrative and grantmaking activities, eliminating the need for you to set up a separate institution, formulate policies, file innumerable forms and monitor the status of grant recipients. We save you precious time and money. Call us any time to discuss your charitable gift plans and ideas.
“world the master calls a butterfly.” ~Richard Bach
