Questions to Prompt Discussion at Distribution Meeting

9. Does the Foundation have confidence in this organization's organizational capacity?
10. Does the project/program specifically have other credible and committed funders or does it effectively leverage other community resources through collaboration?
11. Is organization planning to provide services to benefit another organization in Grant County without signed partnership agreement?
12. Is the risk of the Foundation granting this project so high that:
 - a. full funding would still leave an insurmountable shortfall for the project/program (not enough support from other funders)?
 - b. funding would provide undue burden on the organization (unreasonable request for staff time or resources, requirement to find other funding, requirement to gain additional skills, etc.)?
 - c. funding would cause a shift in Foundation strategy and/or identity related to our mission, visibility, vision, values and strategic plan?
 - d. funding would cause political controversy or donor alienation in the community?
 - e. funding an organization without certain enacted policies would not be responsible to handle grant funding appropriately?
